

Project-Based Learning UNIT PLAN

*This is a general PBL planning sheet. Adapt the boxes to fit your specific project!

Name:

Grade Level:

Subject:

PROJECT OVERVIEW:

CONTENT:

DRIVING QUESTION:

POG SKILLS:

Which will be focused on?

What strategies will you use to explicitly model and assess them? (ex. Gallery Walk, Critical Friends, collaborative groups, etc.)

STUDENT GROUPING:

How will they be grouped?

What roles will students have in groups?

How will you have collaboration if it is not a group project?

ENTRY EVENT:

What will excite students and introduce the project?

SUPPLIES AND RESOURCES:

What special supplies will be needed?

What technology will be needed?

What storage needs do you have?

CALENDAR/TIMELINE:

How many sessions will the project take to complete?

What do you have to do before to make this fit into your class time?

PUBLIC PRESENTATION/AUDIENCE:

How will students share?

Who will students present to (real-world connection)?

What do you have to schedule in advance?

What will other students do during presentations?
